

OUR CALLING

Over this past year, a group of pastors came together in unity, with a desire to see Albert County saved. We are looking to reach an entire county for Christ, specifically Albert County. Our desire is that every home in Albert County would be saturated in prayer and thus the initiation of the prayer lighthouses.

ALBERT COUNTY & BEYOND

PRAYER LIGHOUSES

FOLLOWERS OF JESUS PRAYING
FOR THEIR NEIGHBOURS

ESTABLISH YOUR LIGHTHOUSE...

Become a prayer lighthouse for your community! A prayer lighthouse is two people joining together in prayer over 50 households. Prayerfully pick a partner to build your lighthouse with.

TRAINING

In order to fully equip you for what's to come, review the training material on our website. This training will help you establish and secure the spiritual perimeter in your neighbourhood.

TARGET AREA

Each lighthouse is to determine their target area and choose a time to pray for that area. Once you have done so, register your zone with the association.

TAKE ACTION

TALK TO GOD

- Walk or drive your zone and talk to God about your neighbours before talking to your neighbours about God. The Holy Spirit may lead you to pray in a very specific way. (John 10:27; 14:26: 16:13,14; Romans 8:26, Ephesians 6:18.

PROCLAIM HIS LORDSHIP

- Following the area being saturated in silent prayer, proclaim the Lordship of Jesus over it and serve an eviction notice to the forces of wickedness blinding the unsaved to the gospel. (Matt. 4:10; 16:23; ii Cor. 4:4; Eph. 3:10

MAKE A CONNECTION

- Leave a hand written note on their door, with your name and phone number, to let them know you are praying regularly for them and would like to know their specific requests.

FOLLOW UP

- Follow up by visiting each home your connected with to collect prayer requests. Ask for their greatest need and use a notebook to record the date of the request, the request, and the date it is answered.

FUTURE OPPORTUNITIES

Go boldly before the throne of grace and prepare for an avalanche of answers!
